Requesting a student card

First of all, let us congratulate you on your successful admission!

During your university years, using your student card is essential.

Why?

You can use your card to access the Halls of Residence and the library; it is compulsory for IT classes, and, what’s more, use of university gyms and car parks is only possible with your card.

You will be able to pick up the requested student card from 10. 09. 2019 (Tuesday) at the following locations:

- full-time students: daily during opening hours at the Student Information and Service Centre (AKIK desk)
- correspondence and distance learning students: Friday and Saturday at the University Library
- Students admitted to the Halls of Residence will have the opportunity to pick up the card on the day they move in.
- Students attending Freshers’ Week will receive their card at the event!

Important: it is expected that the HUF 1,200 one-time fee for the card will be announced in NEPTUN in October 2019.
